Summary: Event returns after 2 year break with revitalized Fur Rondy and new Friday / Sunday format straddling Iditarod start (thanks Ernie Hall and Susan Duck!). Rick Morrison signs up as original sponser and later brings in GCI. Longtime Announcer - M/C Dennis Stauffer unavailable, race announced live on 1080 KUDO by Cary Carrigan and Jim Sloan. Morrison Auto Group had Live Streaming Feed on Website. Heats were determined by 12 minute format leading to typical 12 lap heats as opposed to the traditional 10. Coldish weather and deicer application combination led to curious Bonneville Salt Flat type dry and slippery conditions on Track. Kent Hamilton wins AROC. Auction at Rumrunners brings in \$1,015 for the National Brain Tumor Foundation.
