Lions Club Insurance presentation. They are looking into the specifics of race coverage, gen liability only. Membership at \$75 per year to include ins and gaming license. ASCC would need to form list of yearly gaming activities. Need 20 members to form a charter. Club voted unanimously yes for insurance and gaming coverage. ASCC will set up a committee to meet with Lions club.

Dalton C. found Jones Brown insurance for the club. \$874 first day and \$247 second day race coverage. Prices are about the same as before. TJ would like to pursue an annual policy.

Ken Martens looked into NASA for coverage for ASCC. We would need to become a charter or an associate member and use their rules. \$3100 for wtw events up to 5 days and \$450 for auto x events. Voted not at this time but will consider for the future.

Comp Rules report. Kent H. Hot topic. IT rule changes discussed as well as new requirements regarding fuel cells. Get all comments on website.

Auto X report. Clint H. Championship is set. 6-20-10 event in Wasilla and a 7-18-10 event in Houston. These are ASCC events. Best 6 of 10 events make up the series. Trophy for 1st place only at this time. Looking for help at the track to support PCA and Sub Zero in order to give drivers more drive time.

Circle track (Northstar Speedway) dates are 7-24-10 and 8-14-10 and we encourage all members to bring cars regardless of racing. Fun event.

Booklet sales. Only 3 sold for total of \$750. Need to look into simplifying the process.

Annual meeting date and location will be posted on ASCC website.

Meeting adjourned @ 9:30 pm
