

Joint Meeting of the Alaska Sports Car Club and the Mountain View Lions Club
June 22, 2010
Mountain View Lions Club

ASCC Board Members Present: TJ Clark, Kent Hamilton, Nick Spiropolos
(Board members absent: Richard Hale, Nick Dallaportas, Marcus Oder, Fred Peizerich, Ed Angel)
Other members present: Desiree Hale, Dwight & Barbara Bowden, Dave Burke, Gene Augustine

Call to Order 7:25pm: Robert Pasma, President Mt. View Lions Club, introduction of guests, sponsor club and guiding Lions.

ASCC Call to Order 7:30pm, TJ Clark, President Alaska Sports Car Club

Autocross report:

- ASCC's first autocross in approximately 15 years
- 21 participants
- \$1010 in revenue, \$510 in expenses (Est.), for a net income of \$500
- Additional donation of \$500 towards the purchase of new timing equipment was pledged by The Dentdude
- Suggestions for future autocrosses:
 1. Make a cashbox available
 2. Develop a script for Drivers' Meetings

The next Autocross in the Alaska Autocross Series will be hosted by SubZero on June 27 at the Menards Sports Complex. For the benefit of the Lions members who have never autocrossed before, it was explained that autocross is a relatively low risk driving event that encourages a safe exploration of the limits of both the car and the driver. We drive around cones.

Kristin Shindl of Lions Club gave an overview of Lions requirements, presented registration dues and initiation fees to charter a Lions club. There is a 20 member minimum, with a \$30 charter fee per person (or family of up to four members, if related by blood or marriage)

Annual dues:

- \$39 per year to Lions International, per person (For family memberships, the first member pays \$39, others pay \$19.50)
- \$20 per year to District 49A (no break for families)
- Local club dues are to be determined by the club
- Initiation fees for new members are \$25, but some clubs choose to pay this from club money on behalf of the new members.

Lions Officer structure is quite similar to ASCC.

- Required officers are President, Treasurer, Secretary, and Membership
- Additional officers are VP and Second VP
- Optional officers are Tail Twister – in charge of fundraising via random rules; and Lion Tamer – the keeper of paraphernalia.

Several ASCC members stepped forward to become Charter Members of a new Lions Club called the Anchorage Alaska Sports Car Club Lions. Charter member list will be determined at the next meeting, set for the second Tuesday in July. Location TBD.

9pm(ish) Meeting Adjourned
