Ice Racing report by Dave Burke:

- He contacted the MatSu Resort on Wasilla Lake, and they said they would be very happy to have us out there.
- K&L Distributors would provide banners for the events
- Three companies expressed interest in sponsoring the series
- The City of Wasilla has no jurisdiction at this part of Wasilla Lake, so they told Dave to contact the MatSu Borough.
 - o MatSu Borough considers this a Specialty Event, which will require EMTs, drinking water (based on expected attendance), porta-cans, and trash cans.
 - o Insurance – MSB requires \$1M liability policy, plus a \$25k surety bond for cleanup.
 - o Mufflers WILL be required
- Discussion around the room turned to a general consensus that with sponsors involved, the Club should put on a show, and encourage the use of Super Stud tires or Menard Spec Ice tires.
- All Board members present recommended that Dave continue with ice race planning, and leaning toward a 6-race season with 4 races in January, and 2 in March after the Iditarod. Richard Hale will assist Dave in completing forms for the Borough.

Kristin Shindl of Lions Club spoke again, revisiting the Lions Club dues structure for those who weren't at the last meeting. The minimum number of Charter Members has been reached, and paperwork will be filed (need info from Treasurer, and check to Lions, and need to pick a date for the ceremonial charter signing) The Club will need to decide whether to combine ASCC with the Lions Club, or keep them as two separate clubs. Kristin reminded us that the Lions website has great info to help secure club sponsorships

Upcoming events:

- July 24 and August 14 at North Star Speedway
- 1st weekend in August – Park Strip Show & Shine car show
- PCA Autocross –July 17th
