

Monthly Meeting of the Alaska Sports Car Club
August 10, 2010
Gallo's on Old Seward

ASCC Board Members Present: TJ Clark, Richard Hale, Nick Dallaportas, Kent Hamilton, Nick Spiropoulos
(Board members absent: Marcus Oder, Fred Peizerich, Ed Angel)

Call to Order 7:30pm, TJ Clark, President, Alaska Sports Car Club

Prior minutes approved
Treasurer absent, no treasurer's report

Old Business:

Lions Club –

- Charter has been signed, and should be off at Lions International
- Charter is still open for charter members
 - o It is required that charter members of the new Lions Club be current, active members of the Alaska Sports Car Club
- Club dues WILL go up next year. BOD will meet and determine new club dues
- When Lions International signs the Charter, we will have a "Charter Signing Night"
 - o Local Lions dignitaries, and up to the President of Lions International are invited and will likely attend. Other clubs often show up with gifts for the new club.
 - o Does not need to be at night, that's just the name.
 - o Must be held within 90 days of when it's signed by International
- Mtn View Lions are our sponsoring club
- We have two Guiding Lions
- It will take at least 3 years as a club in good standing with Lions before we can apply for a gaming permit.
- We, as a new club, will need to HELP OTHER LIONS CLUBS FIRST, so they will want to help us later.
- The goal of all in the club should be that within 5 years, we take control of land and start building a road course.

Tanacross:

- Insurance/BLM should be ready to go
- Tech Day, for wheel-to-wheel cars that didn't tech in the spring, will be August 28th at Hale's Technical
- Everybody is reminded to run cars at North Star Speedway this weekend for a shakedown
- 6 or 7 Legends cars might attend Tanacross
- It was suggested that the Supplemental Rules be available online well before the race weekend
- Look for a Potluck announcement on the website
- EVERYBODY must sign the waiver. Read it, UNDERSTAND IT, then sign it.
- General reminder to all that any intentional bumping or contact will result in disqualification for the rest of the weekend. This will be enforced.
- We will have wristbands for those who signed the waiver
- We need signs made for waivers, and make members aware that they will be responsible for their whole group.

North Star this weekend:

- Need to bring SFI approved gloves and shoes, in addition to the regular safety gear.

Meeting Locations? – General consensus was that Gallo's gets better attendance than other places.

Next meeting will be in October for the Charter Signing.

Meeting Adjourned 9pm.

The next meeting is set for the August 10. Shaggie will try to get the upstairs room at Gallo's

8:30pm Meeting Adjourned
