Ice Racing:

The rumor of the MatSu Resort being closed has been confirmed.

Shaggie has been talking with Josh Estes of the Big Lake Racing Lions (Snowmachine racers) and they're willing to allow us to use their track again, with conditions:

- The snowmachiners are under the impression that a payment was going to be made years ago to help offset plowing costs, but no check was sent out. If we're going to race on their track, they'll need financial help for plowing. They budget \$1400 for fuel for the road grader, and 3 clubs might use this track. We discussed offering \$500 up front (1/3 of grader budget), and if they accept then Kent will seek board approval for the check.
- Shaggie will get insurance costs per event, and assume plowing on our end at around \$50-\$100 per race. If insurance is \$500 per event, we'd need 10 entries per race at \$75 each to break even on the season.
- Tentative dates (need snowmachiners' approval too):
 - o January 15 & 22
 - o February 5, 12, & 26
 - o March 5, & 12

Autocross 2010 multiclub season:

- January 29 potluck awards ceremony
- January 5 or 6, meeting at the Mountain View Lions Club clubhouse
- Sometime in April, there will be a planning meeting for the 2011 season.
